

AMENDMENTS TO THE DRAWINGS

Please make the following amendments to the Drawings.

Replace Figure 15 with the Replacement Sheets for this figure.

Delete Figures 16-90679.

REMARKS**1. Amendments****a. Specification**

The specification is amended to delete paragraphs and amend some descriptions as required by the Notice. The specification is also amended to include material from tables 1 and 2 that specifically relates to the claimed and allowed subject matter. Support for the material in the tables is found at lines 10279-10284 of Table 1 and lines 199958-200017 of Table 2. Tables 1 and 2 were filed on compact disc with the application as originally filed, and thus under 37 C.F.R. § 1.52 are part of the application as originally filed. In view of the foregoing, Applicant submits that the amendments do not add any new matter.

2. Drawings

The drawings are amended to delete material that does not specifically relate to the subject matter claimed and allowed in this application. The three sheets of previous Figure 15 are replaced with three replacement sheets. Support for the replacement sheets is found at Figure 1483 of the application as originally filed. This figure was submitted on compact disc with the application as originally filed. Accordingly this figure is part of the application as originally filed. In view of the foregoing, Applicant submits that the amendments to the drawings do not add any new matter.

3. Conclusion

Applicant respectfully submits that the instant application is in good and proper order for publication. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the instant application, the Examiner is encouraged to call the undersigned at the number listed below.

Respectfully submitted,
POL SINELLI SHUGHART PC
